Do You Remember Being a 5th Grader

Remember what it was like when you were in fifth grade?

OK, not so much what it was like, but what was going on around you.

They were the days of Nintendo 64, Sega Dreamcast, boy bands and the Y2K. It was a time when all you had to do was learn the lyrics of songs and watch TV - well how well do you remember it all?

1. What year did Princess Diana die?
2. Alan Diaz won a Pulitzer Prize for a photo of a 7 year old Cuban boy and his uncle hiding in a closet while an INS officer, in full battle gear, was pointing a machine gun at them, what was the boy's name?
3. What was the name of the restaurant where the Seinfeld gang usually met?
4. Britney Spears released "...baby one more time" in January 1999 - can you sing a song from that album?

(answers are "under the desk")
